

You may have noticed our new Foodbank Donation Point outside Kenn C of E Primary School – this has been funded by Kenn Parish Council and can be used by the whole community to drop-off donations. Items will be collected weekly.

More information about what items you can donate is set out below. You can follow Exeter Foodbank on Facebook to find out what items are urgently required.

Thank you for your kind support.

Ayesha

GIVE HELP

DONATE FOOD

Exeter foodbank relies on the goodwill and support of local people - we can't do this without YOU

Over 90% of the food distributed by foodbanks in [The Trussell Trust](#) network is donated by the public – that's why your food donations are absolutely vital to our ability to give everyone referred to us a balanced and nutritious three day supply of food.

Our shopping list shows the food items that we need right now (not [the full range of food we give out](#)). Please ONLY donate items from the above Priority List where possible; this is essential in helping us balance our stock. Please note that we are also unable to give out any items **containing alcohol** (including steak & ale pies, white wine sauces etc). Thank you for your understanding and support!

Please note that we are only able to make use of *in-date, non-perishable* food. If you have fresh, chilled or frozen food to date, please contact [Exeter Food Action](#), who re-distribute a range of surplus food to other local charities, and have appropriate storage facilities.

We do also give out **non-food items**, including toiletries, nappies and female sanitary items and **will indicate these on the Priority List when we are in need**. Please note that we have exceptionally high stocks of female sanitary items and will not need any more for the foreseeable future – thank you!
